T: +47 91 79 20 74

E: f.almas@haavind.no

Areas of expertise

Frank Almås has his main practise within the business area Construction, Building and Offshore. He is a member of the practice groups for Construction and Offshore and for Litigation.

Practice

Frank Almås specialises in construction contracts and contract law and in litigation. He has extensive experience of providing advisory services in connection with entering into and following up contracts as well as advice and litigation in connection with dispute settlement.

For the last five years Almås has primarily worked with:

- Dispute settlement and litigation
- Contract negotiations and entry into major construction and supply contracts
- Advisory services for contractors, principals and advisers in connection with building and construction projects
- Assistance in dispute settlement, including litigation for district and appeals courts and the Supreme Court.

Frank Almås regularly conducts cases in court.
