

Johan Fr. Remmen

Partner, attorney, Member of the Norwegian Bar Association, admitted to the Supreme Court

T: +47 91 39 91 87

E: j.remmen@haavind.no

Areas of expertise

Remmen is a partner in the business area Building, Construction and Offshore, and is a member of the practice groups for Energy Law and for Construction and Offshore.

Practice

Remmen has specialised in energy and natural resources and waterfall rights, construction law and litigation.

For the past ten years, he has primarily worked with:

- Rights, contracts and transactions in the energy sector.
- Construction contracts
- Aquaculture
- Sports law
- Legal aspects of real estate

Remmen has extensive experience of providing advisory services and of litigation in all these areas of law.

Remmen is recommended in the field of dispute resolution by Global Counsel 3000 and Chambers Europe. He is also named as a leading energy and natural resources lawyer by Euromoney's Expert Guides and Chambers Europe.
