

Geir Steinberg

Partner, advokat

T: +47 91 69 65 11

E: g.steinberg@haavind.no

Areas of expertise

Geir Steinberg is head of the business area Industry, Media & Technology, and is a member of the practice groups for Bio, Food & Health, IPR, Employment and Corporate Law.

Practice

Geir Steinberg is working within a broad area of corporate law. He is particularly involved in issues within the pharmaceutical and food sectors, in addition to commerce and distribution. Steinberg has primarily worked with:

- corporate structure and strategy, including questions in relation to shareholders' agreements and other shareholder issues
- issues within Food Law and pharmaceuticals, both nationally and internationally
- HR related issues in larger and smaller businesses, especially in connection with the company's management and restructuring
- IPR issues relating to companies (trademarks, designs, patents and know-how) and marketing law, both as counsellor and for the courts
- contract law in connection with distribution and franchise, and other categories of distribution and cooperation agreements

Geir Steinberg is listed as one of the leading lawyers within IPR in Legal Business European Legal Experts. He is also recommended within IPR by PLC Which Lawyer?
